

Important Notice: Change in Licensing Procedure

Effective June 1st 2025, the Danish Wrestling Federation has discontinued the sale and issuance of wrestler licenses. In lieu of presenting a license at weigh-in, athletes are now required to present a valid government-issued ID, such as a national ID card or passport.

We hope that the above practice will be acceptable at events in your respective countries. Please note that this change will of course not have any effect to UWW events.

For any questions or further information, please contact us at info@brydning.dk. We aim to respond during regular business hours.

Thank you for your understanding and cooperation.
